President Letter

By: Tim Harteau

Hi Woodturners,

Here we are at the end of May and another Club season is wrapping up. I normally finish most of my bowls in the winter and start turning wet wood again after the snow melts. It's funny to look around my shop and realize that I've started more projects than I finished this year! Maybe this summer will allow me to reverse my trend... hahaha...

Did the "Saturn bowl demo" inspire your next turning project? Or, maybe it reminded you of our solar system neighbor and all that lies outside of earth... Either way, I received a couple of nice turning tips that will surely help on future projects. I may even try to make one of the very fine parting tools.

This month Joe Krebsbach will show us some of the hollowing equipment he has used, discuss what he has learned and provide a short demonstration. If you are a current or future hollowing turner this will be a great demo for collaborating and learning from each other.

Ed Cole will be facilitating the May meeting (I will not be attending due to a conflict).

Wrapping up our club season in June will be a "tool swap & lunch". Start your "spring cleaning"!

Talk soon!

Tim Harteau

APRIL GUEST DEMONSTRATOR

By: Terry Hermes

Jason Clark was our April demonstrator who demonstrated his Saturn Bowl. Jason is from Illinois, is self taught, has been turning for two decades and works out his two car garage. He has been a guest demonstrator for many symposiums and special events. Jason has come up with a unique turning that he calls his Saturn Bowl. This bowl is turned from a single piece of wood. Rings are cut in the bowl that you can turn but these rings will not fall out of the bowl. You can watch a short video of Jason turning his bowl on the AAW Woodturner website:

www.woodturner.org After Jason's demo I received a lot of positive feedback and some of our members are going to give his bowl a try. Jason also has a Bowl Turning 101 and Box Turning 101 videos on YouTube so you can see how he turns a bowl and a box. If you would like to purchase any of Jason's tools or books go to his website at: www.jtcturning.com We ordered his Bowl Combo set with all the instructions to make the Saturn Bowl for our Club's library. He is sending us the finished bowl from his demonstration so everyone can see how it works and Jason also allowed our club to view his Zoom video until May 18th. Thank you Jason for a great demonstration!

LAST MEETING BEFORE SUMMER BREAK

By: Terry Hermes

June will be our last meeting before our summer break so it's time to party!

After the Covid shutdown and a year of ZOOM meetings we are now allowed to have food at the Artisan Center. We will be ordering Pizza! I will need to have a count so I know how much pizza to order. I'll have a sign-up sheet at the May meeting so you can let me know if you will be coming to the June Pizza Party and what type of pizza you like. You can also email me if you will be at the party and I'll add your name to the count. We will have coffee but if you would like to have something else to drink it's BYOD (Bring Your Own Drink).

Hope to see you at the party!

By: Terry Hermes

June is our last monthly meeting before our summer break. It's time once again to go through your shop to see if you have any books or DVD's from our Club library. This summer I plan to take the library home and create a database that will categorize all the items. This will make it easier to find something in our library. The database will be added to our BayLake Woodturners website so you will be able to see what titles are in the library. You can sign out a book or DVD and use it for the month before you go out and buy one. While you are going through your workshop, if you find any of your books or DVD's that you are not using and would like to donate it to our Club Library, please bring the items to the June meeting and I'll add them to the library list. Many books and DVD's are copyrighted so we can only accept originals.

Thank You!

BOOKS

WOODY'S SHAWL PIN CHALLENGE

By: Terry Hermes

To use up some more small wood scraps in your shop, this months mini challenge will be to make a shawl pin. You can also go to the AAW Website www.woodturner.org and click on AAW Explore and search shawl pin. There is an article by Jim Meizelis from the AAW Woodturner Magazine on how to make a shawl pin and you can print the pdf file with all the instructions. Pinterest also has many different ideas on these pins. For more instructions on making these pins go to www.turningforprofit.com and you can print out their instructions on how to make their shawl pin. For more advanced turners you could try using resin or gluing up some exotic woods or adding polymer clay. Try something new with your design! These are wonderful gifts that can be used as hair ties or shawl pins and are fun and easy to make.

Happy Turning!

Different Stick Designs

WOODY'S MAY TIPS

By: Terry Hermes

Go to AAW website www.woodturner.org and search for Shawl Pin for their printable instructions. Also go to Pinterest and YouTube to search for Shawl Pin for their ideas and instructions.

AAW Symposium is coming up fast June 23-26, 2022 so get your reservations in because you don't want to miss it!

Turn-On Chicago is July 29-31, 2022 and reservations are open.

Segmenting Chicago is September 23-25, 2022 and reservations are open.

BayLake Woodturner's Club Website

www.baylakewoodturners.com

On our website you can purchase club store items, pay dues and make contributions, see gallery items, read the newsletter, download instruction sheets and see recorded Zoom meetings plus much more.

YouTube Channel

Also check out our YouTube Channel at: **Bay Lake Woodturners**

If you missed a demonstration or would like to review it again, they are listed on our YouTube channel.

Smile Amazon

Support BayLake Woodturner's Club by shopping at Smile Amazon

Go to www.smileamazon.com and click on the Supporting Tab then type in Baylake Woodturner. For every purchase that qualifies at Smile Amazon a portion of that purchase will be sent to our club every three months.

Total 2021/2022 = \$55.21

Last Amazon Deposit (03/03/2022) = \$8.10

Wood Exchange

We are looking for items to place in our wood exchange. If you have any extra wood or tools you would like to donate to the wood exchange bring it to the meeting or just let Tim know what you would like to donate. Thank You!

AAW 36th Annual International Woodturning Symposium

Chattanooga, Tennessee
June 23 - 26, 2022

DEMONSTRATORS

Stuart Batty, Dennis Belcher, Trent Bosch, Kip Christensen, Jason Clark, Rebecca DeGroot, Barbara Dill, Mark Dreyer, Cindy Drozda, Linda Ferber, Keith Gotschall, Scott Hampton, John Jordan, Michael Kehs, Janice Levi, Eric Lofstrom, Sammy Long, Mike Mahoney, Wayne Miller, Mark Palma, Dennis Paullus, Paul Russell, Peggy Schmid, Doug Schneider, Jason Swanson and Hans Weissflog.
